Christmas in Jamaica!

YOU!

THANK

## TO OUR FRIENDS AT MISSION OF T.E.A.R.S,

The Christmas season can be full of joy and anticipation, however when you are far from family and friends (which I'm sure we are all enduring to some extent right now) it can be hard. This year our family and ministry received two barrels full of love and provision in Jamaica due to the generosity of friends and partners of Mission of T.E.A.R.S. The way this donation has brightened our days, not to mention our Christmas season is indescribable. Thank you for the generosity of those who gave, who put their time into packing and preparing. I can tell you, our kids will not forget this experience. We were able to bless several families during this time with much needed resources through this gift. Praying you all have a happy and memorable Christmas season as I'm sure we will!
